Re: September Monthly Report (8/1/07 to 8/31/07)

Dear Mr. Buckley:

While looking for information on the Commission's web-site on the Party's interactive page, we just became aware that a letter, dated October 3, 2007, requesting additional information for the above-mentioned report was sent and are therefore, responding to the electronic version of your letter discovered today.

The "refund of allocated expenses" entry reported on Schedule B, Line 22 to the Party's corporate account was a transfer in accordance with the instructions provided from the Commissions' Campaign Guide for Political Party Committees. The refunds were correctly reported on Schedule H4 as "offsets to expenditures" by Texas Federation of Republican Women for rent expense on the May, June and August Monthly reports. The non-federal account has not paid any shared allocable expenses.

Schedule H4 supporting Line 21a discloses payments for fringe benefits. Pursuant to 11 CRF, these expenditures including salaries and fringe benefits are for employees who spend less than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election.

Also reported on H4 are payments for security to individuals. We are pleased to confirm that these individuals are not employees of the Party, but rather these payments were for security services by independent specialists.

Respectfully submitted,
Wayne Tucker, Treasurer
Republican Party of Texas
